INDEPENDENT AUDITOR'S REPORT

Board of Directors
Emerging Growth Equities, Ltd.

We have audited the accompanying statement of financial condition of Emerging Growth Equities, Ltd. (the "Company") as of December 31, 2014, that is filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statement. The Company's management is responsible for this financial statement. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. The company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial position, assessing the accounting principles used and significant estimates made by management as well as evaluating the overall statement of financial position presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of Emerging Growth Equities, Ltd. as of December 31, 2014, in accordance with accounting principles generally accepted in the United States of America.

1. Organization

Emerging Growth Equities, Ltd. It is a Pennsylvania limited partnership that is a wholly owned subsidiary of EGE Holdings, Ltd., a Pennsylvania limited partnership. 2. Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Company in the preparation of its financial statements. The policies are in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Revenue – Securities transactions (and related commission revenue and expense, if applicable) are recorded on a trade date basis.

Investment banking revenues also include fees earned from providing merger-and-acquisition and financial restructure advisory services. Investment banking management fees are recorded on offering date, sales concessions on settlement date, which is not materially different than trade date, and underwriting fees at the time the underwriting is completed and the income is reasonably determined.

Concentration of credit risks – The Company maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts. Management believes the Company is not exposed to any significant credit risk related to cash.

The Company is engaged in various trading and brokerage activities in which counterparties primarily include broker-dealers, banks, and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument.

Depreciation – Fixed asset purchases are classified as three or seven-year property for depreciation purposes. They are depreciated under accelerated methods.

Cash and cash equivalents – The Company includes as cash and cash equivalents amounts invested in money market mutual funds.

The Company recognizes and discloses uncertain tax positions in accordance with accounting principles generally accepted in the United States of America (GAAP). As of, and during the year ended, December 31, 2014, the Company did not have liability for unrecognized tax benefits.
